## WHITE CITY TOWNSHIP COMMUNITY COUNCIL

- One White City resident experienced significant delays for emergency response due to the two call centers not agreeing. This is an example of the concerns WCTCC has had during this whole discussion. The call centers say they will resolve with additional training. A Draper City man died waiting for response following 911 delay. Mayor McAdams working with Brad Dee to sponsor a bill to require a consolidated 911 system. *Leave on the agenda and review in a few months.*
- A meeting was held the last week in August with all stakeholders and county officials. Paulina attended.
- A meeting was held with UFA Chief Jensen, UFA ACCT liaison Anderton, and others regarding the first response contract with Sandy City. Chief Jensen to investigate why payments in excess of the contract value were made and re-assess the contract. Follow up in March.
- Told Nicole Dunn and UFA that delays and any withdrawal from VECC and WCTCC would withdraw from UFA. White City continues to have issues with this situation. *Leave on the agenda.*
- Other Business:
  - White City Water has been notified about an increase in fees from the State water board. Council motion: “The State agency should go through appropriations of the state instead of fees to local agencies.” Seconded and approved. *Leave on the agenda.*
  - Willow Canyon Annex – Sandy City successfully completed their annexation in Willow Canyon.
  - Sandy Hills recently performed a community survey in conjunction with Utah State University. The purpose of the survey was to establish the community member’s beliefs regarding services (e.g. Unified Fire, SLCo municipal services, etc.) and government structure (e.g. SLCo unincorporated area versus joining a city, etc.). WCTCC should consider performing another of these surveys since the last survey was over 5 years ago.
  - Canyons School District – The proposal to build a new school to replace Alta View Elementary was approved by Canyons School District.
  - Public works is still working on Galena Drive storm drain improvements. Serpentine Drive is in next year’s budget. Work will stop soon due to cold weather and will resume in the spring when the weather warms.
- Council Matters: Secretary needs to go with the Treasurer to the Bank and get added to the accounts.
- Meeting was adjourned at 7:57 pm.
