FYI

Citizens Police Academy

The Citizen's Police Academy (CPA) is a ten-week program designed to give participants a working knowledge of the Unified Police Department. It consists of a series of classroom discussions and hands-on scenarios. Training is held one evening a week. There is one academy class each year and each class size is limited to approximately 25 students. There is no cost to anyone who enrolls.

The goal of the CPA is to create a better understanding, improve communication, and partnership with the citizens and the Unified Police Department through education. Community Oriented Policing plays an important role in reducing crime in any community. Therefore the UPD instituted the CPA to improve communication and obtain input and support throughout the citizens they serve. It is our hope that graduates of the CPA become partners with us in identifying problems and solutions to the crime issues that are affecting our community.

Who attends the CPA?

Citizens in the service area of the Salt Lake County Sheriff's Office are all openly invited to enroll. Lawyers, teachers, bankers, homemakers, students and others have attended our classes.

When do classes meet?

Currently, the Sheriff's Office hosts ones academy session per year. They meet in the evening hours one night a week for ten weeks.

What subjects are covered?

Classes include, but are not limited to:

- UPD Policies
- Firearms Training
- Non-Lethal Weapons
- Basic Handcuffing
- DUI Investigations
- Canine
- SWAT / Special Operations
- Traffic Stops / High-Risk Stops
- Basic Legal Block / Juvenile Law
- Domestic Violence
- Building Searches
- Traffic Accident Investigations
- Do I get to go on a ride-along?

Yes! The highlight of the academy is the four-hour ride-along participants are invited to attend. Students will ride for half a shift with an on-duty uniformed officer while they are out on patrol. Students will not participate in any actions.

This is an observation period only.

Do I GRADUATE with a certification?

The CPA is an educational tool only. At the end of the course participants will have a better knowledge of how the UPD works and what a police officer does on a day-to-day basis. There are no certifications given during this course.

What is the cost?

The CPA is just one of the classes the UPD offers to the community at no cost.

Who do I contact to participate?

The Citizen's Academy is limited to 24 people per class and

there is only one class offered per year. Your name can go on a waiting list, if there are no seats available in the upcoming class. If interested, please [click here](#) to contact our Crime Prevention Specialist.

Remember the three Rs

The UPD and Salt Lake Area Gang Project provide several resources for fighting graffiti. Keep in mind the 3 Rs: Report, Remove, Re-group.

Report

[Report graffiti to the UPD](#) using via email, phone, or our online form.

Remove

The UPD can provide you with [free graffiti removal supplies](#) and can even assign an officer for protection during removal.

Re-group

Most graffiti perpetrators tire easily if graffiti is removed quickly (ideally within 24 hours). By [organizing a neighborhood group](#), you can respond quickly to remove new graffiti and discourage further incidents. [Read our tips](#) for fighting graffiti and organizing a successful neighborhood group.

Since Midvale joined the UPD our community is part of the new Midvale Precinct.

The precinct Commander is Captain Mason.

Location:

7912 South Main Street
Midvale, UT 84047
385-468-9350

Lobby Hours

M-F 8:00am - 5:00pm

To report a crime or request to speak with a officer, call Dispatch at 801.743.7000.

For all emergencies, call 911.
