4618, 4666, 4722, 4740, 4750, 4754

### What is a Community Council?

Community councils are recognized by Salt Lake County ordinance 2.56. They are individual community councils are created by private citizens as private corporations, association or otherwise, and are not created by Salt Lake County. Privately created community councils may be recognized by Salt Lake County as provided in Ordinance 2.56 (Ord. 2.56.020). Community councils work with the Mayor's Community Relations Specialists and other County liaisons to determine, co-ordinate and express the views of the community it represents.

### What is their purpose?

The purpose of establishing community districts and recognizing community councils in the unincorporated area of the county is to provide a mechanism by which a geographical area may be identified as a community for purposes of formulating and presenting recommendations on actions within the authority of the county which affect that geographical area by force of law or practice (Ord. 2.56.010).

Community councils form a link between Salt Lake County and local unincorporated areas. Their role is to ascertain in an active way the views of their communities in terms of local issues, needs and wishes to Salt Lake County. Community councils should always act in a non-political and non-sectarian manner.

## 2012 White City Township Community Council Elections Notice

**Council Districts up for election in 2012 are as follows:**

**District 2, District 4, District 6 and At Large Seat C.**

**Our Elections Officer will be Don Patocka. His contact information is 801-548-4420.**

[dpotaczech@yahoo.com](mailto:dpotaczech@yahoo.com)

**Polling Judges Needed!**

### Why have a community council?

The establishment and continuation of a Community Council in your area offers you an opportunity make recommendation regarding planning and zoning within the boundaries of the community council. Community councils must also submit an annual list of their Top 5 priorities to the Mayor's office, through their Community Relations Specialist. Community councils play an important role in promoting the well being of the neighborhood you live in, develop community spirit and inform the residents in the area you represent of matters of public concern.

### What do community councils do?

Community councils hold their meetings in public and call special meetings in order to ascertain the views of their community on major issues. They participate actively in assuring that their representative community views are heard and recognized. They may also take an active role in community building events.

### How many community councils are there?

There are currently 12 recognized community councils covering most, but not all of unincorporated Salt Lake County. There are possibly 4 more councils to officially recognize.

### What areas will the Community Councils represent?

The community council maps are available through Planning & Development.

### How can you become involved?

To be eligible to stand as a candidate in a Community Council election, you must:

- You must be at least 18 years of age
- Appear on the electoral roll of the County and the area in which you will serve.
- Be resident in the community council area you wish to stand.
- Not be subject to any legal incapacity (there are no legal reasons you can hold office it elected)

**for 8 Lessons (2-week session)**

40 minutes / Lesson

Lesson times are based on skill level

Sessions start every 2 weeks through August

Sign up for as many sessions as you want

PRIVATE LESSONS AVAILABLE

Greetings from the  
Unified Police Department!

We hope you are having a fun and safe summer season. We have recently fielded several questions from residents asking for information about different services available from the county. Occasionally these questions arise in regards to which department should be contacted when dealing with a particular issue within the community. Should you call the Unified Police, Code Enforcement or the Health Department? In an effort to help clarify which agency handles which type of situation, I was able to speak with some county representatives and collected the information listed below.

I spoke with Steve Szmerey who is the Code Enforcement supervisor for the county. He highlighted a few things people should call his department about when they are an issue;—weeds over six inches tall, assorted junk on a property not in an enclosed structure, as well as two or more unlicensed motor vehicles on a property. He also noted that RVs are no longer allowed to park in the front yards of homes and need to be either on the side or at the rear of the home. Steve said sometimes they are called about issues which are actually on public property, such as unlicensed vehicles parked on the street, however, calling the police is best in those cases. The Code Enforcement Dept. can be reached at [CodeEnforcement@slco.org](mailto:CodeEnforcement@slco.org) or 801-468-2176.

I asked Lora Lee who works for the Health Department about the recent uptick of abandoned homes and what the department's current level of involvement is with them. She stated that the homes need to be secured against unauthorized entry and if they are not, the Health Department can be called to investigate. Currently, it is common for homes to be in a phase where the owner has left and the bank has not yet taken over. She noted the County can maintain the weeds on the property and can place a lien on the property to recover its costs if the bank or owners fail to take care of it. Also, the improper disposal of hazardous items like motor oil, paint, batteries and old electronics can wreak havoc on our water supplies and environment. The Health Department can direct you to pick-up locations and where to take these items for proper disposal. Please call the Environmental Health Department at 385-468-3860 for questions or visit [www.slvhealth.org](http://www.slvhealth.org) for further information.

For violations which are taking place on public land or that may be of a criminal nature, don't hesitate to call Unified Police Dispatch at 801-743-7000 and in emergencies call 911. As a Community Policing Detective, part of my assignment is to work as the liaison between our Southeast Islands' citizens, local government, and the Unified Police Department. Also, I work on a case load of various criminal offenses as a detective. It is a rewarding and active assignment. During these summer months please remember to help keep our property related crimes low by securing your homes and vehicles. Be watchful of your neighborhood, and feel free to report suspicious activity. We are here for you.

Sincerely,  
Detective Green

Unified Police Department ~ Office #385-468-9350

**2012 Firework Safety Tips**

## Waste & Recycling Collection

### Report

On January 1, 2013, Special Service District #1 (Sanitation) will officially separate from Salt Lake County and become its own organization. In 2010, the County Council created the Administrative Control Board for the District and gave governing power to the Board. The Board was given authority over the operating budget and policies relating to collection services. In 2013, the Board will have authority over the entire District as an organization including employees, which will formalize employees becoming district employees rather than Salt Lake County.

The board is currently comprised of nine elected officials who represent the interests of the unincorporated County and each of the cities we service:

- County Council Members: David Wilde, Randy Horiuchi, Jim Bradley and Richard Snelgrove (represent our unincorporated residents).
- Mayor Peter Corroon, represented by Patrick Leary, Board Vice Chair and Public Works Department Director.
- Representatives from each of the cities within the District: Scott Bracken (Board Chair), Cottonwood Heights; Dama Barbour, Taylorsville City; Coralee Wessman-Moser, Herriman City and Sabrina Peterson, Holladay City.
- Pam Roberts, Sanitation Division Director serves as the Executive Director for the District and is a non-voting member of the Board.

What does this mean for our residents? Basically, residents will not notice any change in their collection services. We will maintain our current address and phone numbers. Our trucks and equipment will display the new name and logo, but we will remain the same great employees who have proudly served our customers for the past 35 years.

### Good news!

**White City residents should have received an area cleanup notification postcard. Residents will receive the containers on either July 20, 23 or 25. If you have not received a postcard, or would like additional information on your collection services, please contact our office at 385-468-6325, or visit our website at [www.sanitation.slco.org](http://www.sanitation.slco.org).**

The Administrative Control Board meetings are scheduled the 4<sup>th</sup> Wednesday of the month at 9:00 am. The meetings are held at 604 West 6960 South in Midvale.

### Administrative Control Board

The Salt Lake County Sanitation Division provides household waste and recycling collection services for residents within the Special Service District #1 (Sanitation). The Special Service District includes the unincorporated areas of the County as well as the cities of Taylorsville, Cottonwood Heights, Holladay, Herriman and part of Murray.

Using consumer fireworks on our nation's birthday is as American as apple pie, backyard barbecues and parades on Main Street. And it is equally safe if a few common sense rules are followed.

Due to extensive testing of consumer fireworks in China, through the American Fireworks Standards Laboratory and other testing programs, and rigorous enforcement of federal fireworks regulations by the CPSC, consumer fireworks today are safer than ever before.

However it is important to remember that fireworks related accidents do occur each year and that most could be eliminated if some basic safety steps had been taken.

The National Council on Fireworks Safety offers these common sense safety tips for using consumer fireworks in the hopes that injuries to consumers can be greatly reduced this season:

- Parents and caretakers should always closely supervise teens if they are using fireworks.
- Parents should not allow young children to handle or use fireworks.
- Fireworks should only be used outdoors.
- Always have water ready if you are shooting fireworks.
- Know your fireworks. Read the caution label before igniting.
- Obey local laws. If fireworks are not legal where you live, do not use them.
- Alcohol and fireworks do not mix.
- Wear safety glasses whenever using fireworks.
- Never relight a "dud" firework. Wait 20 minutes and then soak it in a bucket of water.
- Soak spent fireworks with water before placing them in an outdoor garbage can.
- Avoid using homemade fireworks or illegal explosives: They can kill you!
- Report illegal explosives, like M-80s and quarter sticks, to the fire or police department.

And note these special safety tips, if using sparklers:

- Always remain standing while using sparklers.
- Never hold a child in your arms while using sparklers.
- Never hold, or light, more than one sparkler at a time.
- Never throw sparklers.
- Sparkler wire and stick remain hot long after the flame has gone out. Be sure to drop spent sparklers in a bucket of water.
- Teach children not to wave sparklers, or run, while holding sparklers.

Unified Fire Authority urges everyone to follow these common sense safety rules this season during their holiday celebrations.

Information provided by [www.FireworksSafety.org](http://www.FireworksSafety.org)

In 2009, the Salt Lake County Council created the Administrative Control Board to ensure the cities within the District have a voice in decisions that affect their residents. Four members of the County Council also serve on the Board to represent residents in the unincorporated areas.

The Board is empowered to make all governing decisions for the District, which means they will determine fees, services, etc. The Board is composed of the following members:

- Four elected officials from the Salt Lake County Council approved by the County Council;
- The Salt Lake County Mayor, or his/her designee;
- One elected official from each of the participating cities (Taylorsville, Herriman, Cottonwood Heights and Holladay).

The Sanitation Division Director serves as the Executive Director for the ACB and is a non-voting board member. All administrative support is provided by the Sanitation Division.

Please refer to the [Overview Manual](#) (903 KB PDF) for more details about the Sanitation Division, the Administrative Control Board and other service information.

Unless otherwise noted, the Administrative Control Board meetings are scheduled:

**The fourth Wednesday of each month at 9:00 am  
Public Works Building  
604 West 6960 South  
Midvale, UT 84047**

**These meetings are open to the Public.**

Additional information the Board members along with the agendas and minutes are posted on our website at [www.sanitation.slco.org](http://www.sanitation.slco.org) - under the Administrative Control Board tab.

## Garbage Collection

[Results of the 2011 End of the Year Customer Satisfaction Survey](#)

- Sanitation Service [District Map](#)
- [What do your Sanitation fees pay for?](#)
- If you are a Resident of the [Salt Lake County Sanitation District](#), you will receive one black garbage can for weekly waste disposal.
- Additional Garbage Cans: Additional cans are available for \$15 per month with a minimum six month commitment. The home owner is required to sign a [second can rental agreement](#) form and prepay the first six month fee of \$90. We will repair or replace your can at no cost.
- Setting up your Garbage Collection:
  - Moving into a previously owned home: Our billing is set up automatically on your property tax notice. The services are transferred to your name when you close on your home.
  - Newly built home: Call us at (385) 468-6325 when you have your occupancy permit to set up your services. Our billing is set up automatically on your property tax notice.
  - [What is your garbage collection day?](#)
- Private Road: If you live on a private road within the District you may qualify for our services. Please check the minimum requirements for a private road. Please note,

75% of the residents on a private road must agree to meet the requirements before service can begin. You can [request service](#) for a private road by [email](#) or phone.

### Customer Tips

Place your can at the curb or nearest collection point by 7:00 am.

Cans must be brought in within 24 hours.

4 ft rule: your can must be at least 4 feet from other cans, mailboxes, trees, fences, cars, and any other object.

Avoid placing your cans under trees or basketball standards.

Please don't overload your can. Items should not stick out above the top more than a couple of inches. Please don't put hot ashes in your can!

[Recycle](#) everything you can. Call or [email](#) us if your can is broken: (385) 468-6325. [Learn more about our Integrated Services Package](#)

## Recycling

Each residence receives one blue recycle can and a garbage can. There is no charge for your recycling collection. A second recycle can is available at no additional charge. To request a second recycle can please call (385) 468-6325. Your recycle container is collected every week on your regular refuse collection day.

### 1. Recycling

We collect your household recycling in the blue cans.

[Items that go into the blue can](#) (163 KB PDF)

[Items that stay out of blue can](#) (137 KB PDF)

[Video of January 2011 Waste Audit](#)

[What do your Sanitation fees pay for?](#) (632 KB PDF)

### 2. Glass drop off sites

While glass is not collected curbside, there are multiple glass drop off sites throughout the county:

Taylorsville Park 1628 West 4800 South  
Upper District Park 3800 South  
Wasatch Blvd Holladay City 4580 South  
2300 East

[Find a glass recycling site near you](#)

### 3. E-waste and Hazardous Waste

[These are items that are not picked up curbside but they are recyclable](#)

### 4. Green Waste

While green waste is not collected curbside, SLCO Sanitation does provide [green waste trailers](#) for yard waste that is not compostable such as tree limbs and branches.

Green Waste is also diverted through our area clean-up program

[Green Waste diversion by Sanitation](#) (149 KB PDF)

### 5. Home composting

[Home composting](#) is a great way to recycle. Using fruit and vegetable remains along with yard waste can creates soil amendment that will help your yard and garden flourish.

Composted manure for fertilizer is available for pickup at the Salt Lake County Equestrian Park located at 11400 South 2200 West South Jordan, Utah.

There is no charge if you load the fertilizer yourself. There is a \$5 charge if your truck is loaded using County equipment, or \$15 per load for anything over a 1 ton truck.

Composted manure is available for delivery to certain areas for an additional charge. Please call for prices and to schedule delivery, 801 254-0106

[How to start composting at home](#) (142 KB PDF)

[How to "grasscycle"](#) (32 KB PDF)

[How to "leafcycle"](#) (29 KB PDF)

## 6. Customer Tips

Place your can at the curb or nearest collection point by 7:00 am. Cans must be brought in within 24 hours. Use the 4 ft rule: place your cans at least 4 feet from other cans, trees, fences, cars, and any other object.

Please don't overload your can. Items should not stick out above the top more than a couple of inches.

Loosely bag your recyclables (use an old plastic garbage bag) to help prevent the wind from blowing them out of the truck. Bundle your plastic bags into a "bag ball" and tie it shut.

Remove lids from plastic bottles before putting both in the recycle can.

Call us at (385) 468-6325 to replace a broken can

[Salt Lake Valley Recycling guide](#) (37 KB PDF)

## White Tower Swimming Club

It's hot, the kids are bored, and the water parks are expensive. What is a family to do? The answer: take the family to White Towers Swimming Club!

Located at [998 Larkspur Drive in Sandy](#), White Towers sits on a quiet residential corner, just up the street from Alta View Elementary School. Open to the public, the outdoor pool has a small kiddie section, a large free swimming area, and a diving area, complete with a low-platform diving board. Pool toys and "floaties" are welcomed. All day swim passes are \$3 per person (all ages). Being an outdoor pool, the pool operates in the Summer season from Memorial Day weekend to Labor Day.

White Towers is not just a great place to swim, though - it has a fully-stocked snack bar that offers nachos and cheese, hot pretzels, hot dogs, chips, soda, frozen treats, a variety of candy, and so much more at affordable prices. Next to the snack bar is a game room with air hockey and foosball tables, free for all patrons to use. Just to the side of the kiddie pool area is a covered pavilion with tables and chairs, and a few toys to play with if the small kids want to take a break from swimming.

Hours for White Towers are from 12 to 8 pm, Monday to Thursday, 12 to 6 pm on Friday and Saturday. Monday nights from 8 pm to 10 pm are open to all families for Family Night, and on Tuesday from 8 to 10 pm for our popular Teen Night, for those who are 14-18 years old. (Hours are subject to change and the pool may be closed at any time for repair or because of inclement weather. Please keep in mind that there is not always a lifeguard on duty, and children under 14 years of age must be accompanied by an adult. All children under the age of 3 must wear a swim diaper and plastic pants.)

Summer passes are available for \$175 and include all members of the immediate household. Summer passes go down in price the closer it gets to the end of swimming season, so it is not too late to get a good deal on your summer swim fun! There are also monthly and weekly swim passes that are available.

Birthday? Family Reunion? Church activity? Whatever the occasion, private parties can be scheduled outside of regular pool hours. Private parties for 50 people or less are \$125 + a \$50 refundable deposit for 2 hours, and includes the use of barbecue grills, picnic tables, and the game room. Semi-private parties are also available to schedule during regular hours. For more information, see our contact info below. (Parties with more than 50 people are available for an additional fee and are required to have a lifeguard, who must also be paid separately. No smoking or alcohol is allowed, and no pets are permitted.)

White Towers Swimming Club is member-owned and operated. Many patrons of White Towers are surprised to discover that it is a not-for-profit organization - none of the members or volunteers are paid, and all of the proceeds go directly back into the operation and maintenance of the pool. Memberships are available to anyone interested, and is \$295 a year -member benefits include voting rights, all children and grandchildren, and any person that lives in the same household, may swim under your membership. As part of your membership, you also agree to volunteer just 8 hours a month in the snack shack, or you can pay extra if you do not wish to volunteer.

White Towers pool opened in the 1960's and was part of a homeowner's association fee that was paid by all those who lived in the White City development, which was built by Kenneth White. Initially, the pool was available only to those people living in the neighborhood. At some point, when the area was no longer part of an association and therefore had no fees, the pool became a member's only club, and open to members and immediate neighbors. Several years ago, though, when the pool had come into disrepair and hit hard times, it was decided by all of the members to open the pool up to the public. The pool was able to remain open, and, with dedication of so many of the members of our community, it has been remodeled and restored.

Today, members of the pool will tell you that our White Towers pool is much more than a place to swim; it is a place where all people are welcome, a safe place for our families and children, and a huge asset to our community. By donating so much of their time and effort into the pool, our members come to appreciate and love this true gem of our community. We invite everyone to come and enjoy our beautiful pool and all it has to offer!

For more information, please visit our website at: <http://www.whitetowersswimmingclub.com>, call us at (801)572-DUNK, or stop by and visit us at 998 Larkspur Drive, Sandy, Utah.

## Local Talent

**“Moose Canoe” don’t let the name fool you.** It’s a fun name that you can scream out loud at a Rock Concert. The band "MOOSE CANOE" is a widely versatile and very seasoned group.

The band members come from all over the United States. They play the Classic Rock era to a genuine remembrance. The range of music can be from Heart to Patsy Cline, to Lynard Skynard to Stevie Ray Vaughn. Moose Canoe will be performing for the SE Township Days August 25<sup>th</sup> from 7pm to 9pm. They love the audience at this event. They get the audience involved, and the children in the audience have the opportunity to grab something from the percussion box and rock with the band. Janette loves to go out into the audience and sing to them personally and make them smile and blush. This will be the 3<sup>rd</sup> year to Rock your World and they love you, as commented by Janette on behalf of the band.

Moose Canoe has performed for old and young alike at local Clubs and throughout the U.S., Concerts, Car Shows, State Fair, Las Vegas, USO Tours, Weddings, Jordan Landing, Park City Silly Days, about every possible event you can imagine, and they love every minute of it and it shows in their Concerts.

Moose Canoe is High energy, with good vibes - that take you back to the days of true rock n’ roll. People in the audience always comments on “this brought back great memories. I could close my eyes and Moose Canoe was so great you would believe you were listening to the real band but better of the songs they would perform. Wonderful. Fun. Real!

John Catusco - New York - his personality is as fun as his energy behind the drums. He is the back bone of Moose Canoe. He holds the fort down and sings too.

Ted Konold - Tennessee - Loves to keep the foot tapping rhythm that make you want to get up and dance on the Bass Guitar. Does great backup vocals and a few leads

Chris Hamilton - Colorado - graduate of University of Utah and can be so precise on his leads he can make your record collection come alive. He gets a rave of approval of “Right On!” for many of his solo’s. He also does a great impersonation of Neil Young on his vocals, and can belt out Simple Man.

Kenny Dunn - Los Angeles Rocker! And it shows. Has performed with some great bands and is the opposite of Chris - so together they bring out the best of every song they perform. Kenny has a hard metal edge and lead vocals bring out the teenager in everyone. Not to mention the “hair” the nickname for the band in some places they perform is “the hair band”

Janette Jackman - Sandy Utah - loves all music. She can sing Heart and follow it with a Shania Twain or a Pat Benetar or a slow ballad. She loves to sing and perform and it shows. She has also traveled through the United States and Las Vegas. She loves to entertain her audience and get everyone involved that is willing.

The Talent and Music of the "MOOSE CANOE" band will have you asking for them again and again!

Some see you on August 25<sup>th</sup> at 7pm to 9:30pm for a concert you will never forget.

**By a faithful follower**

Find them on Facebook to know where they perform next!!

## 2012 General Elections

<b>Voter Registration Deadlines:</b>	
By Mail Registration	<b>October 9</b>
In-Office/Online Registration	<b>October 22</b>
<b>Absentee Voting Deadline:</b>	
Last Day to Apply (Domestic)	<b>November 2</b>
Last Day to Apply (Overseas)	<b>October 17</b>
<b>Early Voting Period:</b>	<b>Oct 23 - Nov 2</b>
<b>General Election</b>	<b>November 6</b>

### Permanent Vote by Mail

You can have your ballot mailed to you on an on-going basis. Any registered voter may apply for [Permanent Vote By Mail](#). Ballots are mailed approximately three weeks prior to each election. *Ballots cannot be forwarded by the post office.*

### Who Is Eligible?

Anyone who is currently registered to vote in Salt Lake County.

### How Do I Sign Up For The Permanent Vote By Mail Program?

Download an application by clicking [here](#).

An application must be completed and returned **Or** you may fax your application to the Clerk's office: **(385) 468-7401**

Applications must be received no later than the before the election.

Already signed up for vote by mail and want to your ballot? Just click this link and fill in the information: [Track Your Ballot](#)

Please allow plenty of time for mailing, especially if you will be in another state or foreign country. For further details on absentee programs, please call the Salt Lake County Clerk, Elections Division, at (385) 468-8683 or email [votebymail@slco.org](mailto:votebymail@slco.org).

**“If everyone registered to vote and actually voted, there would be no one left to blame.”** pff

## The Mayor's Duties

**The County Executive, called the Mayor, is elected at large and for a four-year term in partisan elections.**

The Mayor cannot occupy other elective public offices and is subject to all requirements and limitations applicable under state law and County ordinance.

The Mayor has no supervisory authority over the other [17 elected officials](#) of the County.

The Mayor may appoint necessary merit exempt staff, as provided by law.

The Mayor may appoint a Chief Deputy to act in the Mayor's stead during his or her absence or disability; the Deputy must be a County resident and be either a Department Director or Chief of Staff.

The Mayor's authority includes:

The direction and management of executive branch departments, including Public Works, Human Services, and Community and Support Services, but not including the executive activities of the independent elected officials.

Carrying out and enforcing the programs and policies established by the Council.

Enforcing the regulations, policies, and procedures of the County.

Faithfully executing the laws and ordinances of the County.

Assigning employees and work in the executive branch.

Appointing persons to serve on commissions and boards, with advice and consent.

Controlling County assets, funds, and property; preparing and presenting a budget to the Council.

Reviewing County books, accounts, and funds necessary to the executive function.

Negotiating and executing contracts.

Considering and adopting long-range planning.

Acting as intergovernmental relations liaison, exercising power of veto and line item veto, and attending and participating in Council meetings.
