White City Township Service Providers

Looking for, History of White Towers Swimming Pool Built in 1961

1. Who were the original swim teams to compete in competitions?

Answer: First President; Kay Dickerson

2. Who did you compete against?
3. Do you have pictures?
4. Did you know they ice skated in the winter on the pool?

It is our understanding it is the last community pool of its kind in Salt Lake County.

Open-Swim Hours:

Monday- Thursday	12:00 pm to 8:00 pm
Monday/FAMILIES only	8:00 pm to 10:00 pm
Tuesday/ TEENS only	8:00 pm to 10:00 pm
Friday- Saturday	12:00 pm to 6:00 pm
Sunday	Available upon request

We are trying to create a digital History of WCTCC Area.

If you have pictures on slides or hard copy, Let us know.

White Towers Swimming Pool Annual News Letter

White Towers Swimming Pool, where we come to unplug from the busy noise of daily life and reconnect with sun kissed shoulders, glorious giggles, and warm soft pretzels swimming in nacho cheese. For 55+ years, White Towers Swimming Pool has been the hidden gem of White City. This timeless, no frills pool offers an in town oasis tucked away in the flower district of White City, just off of 700 East.

To gain entrance into this Sandlot experience, one only needs \$4.00, a towel and an awe struck smile. For our more hardcore customers, we also offer summer season passes and family memberships to ease the constant, nagging need to be at the shimmering blue pool.

White Towers offers a plethora of services to meet the diverse needs of our growing community such as:

- Private rental for birthday parties, corporate parties and even weddings if you really want to go down in Pinterest history as the most amazing reception ever!
- A full service snack shack that specializes in culinary delights such as; nachos with jalapenos, multiple Shasta choices and an Otter Pop selection that is second to none!
- A private shaded checker tournament area, where the reigning champion Mr. Van der Beek currently holds a record of 12 wins and one loss. We are pretty sure that was due to fatigue, but only time will tell.

Quite possibly, one of the most remarkable components of White Towers, is everyone except the very diligent and certified life guard Dino is here as a volunteer. That's right, every single working piece of this pool from the maintenance to the decorations, is done by a small group of people who want nothing more than a place for the community to come together and make new generations of swimming memories. It is owned by members of the community and run by a dedicated board.

Here is where we are putting out a call to action. This pool is in need of your help.

Despite, every single dollar of revenue being made, goes back into the pool, there is just not enough revenue in the three months of operation to tackle some of the large needs of this aging business.

We are looking for dedicated volunteers to help in the snack bar, business owners, operators, contractors, community leaders, or anyone with connections that would be willing to donate time, labor and materials to the keep the pool opening year after year.

Specifically, we are in need of:

- A new pitched and properly constructed roof
- Paving work in the front parking lot
- Someone who has knowledge and means to repair concrete and pool skimmers
- Someone who has knowledge and means to resurface the pool
- Cold hard cash donations that could go toward the above listed repairs

The pool is willing to trade services and would love to discuss this on an individual basis if a donation is not an option.

Thank you in advance for your patronage and generosity now and over the last 55 years!

See cover for White Towers Open House invitation on July 11, 2016 from 6 to 8 PM.

Pam Roberts, Executive Director
Wasatch Front Waste & Recycling District
604 West 6960 South, Midvale, Utah 84047
385.468.6325

Wasatch Front Waste & Recycling
Office Hours Monday-Friday 8 am to 5:30 pm.

Area Clean Up

White City Township Area Clean-up Dates: **August 26 – 30th**

Mid-April through September, Wasatch Front Waste & Recycling delivers large containers to neighbourhoods, for residents to dispose of bulky items or yard waste that will not fit in garbage cans. See when we are in your neighborhood by entering your address into our look-up tool at the top of the website or for a general guide check our 2016 calendar [here](#).

NOTE: Dates on the calendar are approximates.

When Residents are Notified:

You will be notified 4-6 weeks in advance about your scheduled area clean-up day if you live in Wasatch Front Waste & Recycling District via mail.

When Containers are Dropped Off:

Containers will be dropped off in your neighborhood sometime between 8:00 AM and 5:00 PM and will be picked up the following day between 7:00 AM and 5:00 PM.

The following items are allowed in the container:

- Bulk household waste: furniture, mattresses, etc.
- Appliances: refrigerators and freezers must be tagged by a professional showing Freon has been removed.
- Yard waste: please call our office at (385) 468-6325 in advance to schedule pickup of yard waste piles up to 4x4x8 (about the size of a refrigerator).

Illegal Dumping:

If you notice someone that does not live in your neighborhood dumping materials in an area clean-up container, please call your local authorities.

Customer Tips:

- Do not place your bulky items on the curb or street. All items must go directly to the containers. Please do not overload containers. [Rent a Green Waste trailer](#) for yard

waste. All yard waste is turned into mulch at the [Salt Lake Valley Landfill](#).

- The containers are for residents only. No commercial or construction dumping is allowed
- If you have large amounts of waste that cannot wait for the area clean-up you can rent a trailer for Green Waste or bulk by calling the District at 385-468-6325.
- Do not put tires, oil, paint, batteries, propane tanks, 50 gallon drums, or any toxic waste or materials in the containers. [Salt Lake Valley Landfill](#) lists resources for recycling locations for these items.
- Do not park within 40 feet of the containers - please avoid parking on the street while containers are in place.

White City Metro Township Planning Commission Info For 2017

In January of 2017 the new Metro Township Council will be sworn in. Each of the townships will have their own ability to have its own planning commission. Our community feels we should continue to share a planning commission with the remainder of the unincorporated areas in order to conserve costs. We also have had difficulty in recruiting individuals to serve on the planning commission. It is important for our citizens to apply for the planning commission.

We currently have 4 Vacancies.

Contact: Office of Township Services Planning and

Development Services:

Wendy Gurr

385-468-6707

wgurr@slco.org

Meeting Location:

Council Chambers

2001 S. State Street, North Bldg.

[Caregiver Support-Aging & Adult Services | Salt Lake County Services...](#)

The Salt Lake County Caregiver Support Program provides information on resources, products, providers, diseases and other services caregivers need.

Growing older has been redefined! Many of us will spend decades in a new phase of life where we continue to learn, grow and contribute. How will YOU spend that time? A [senior center](#) is all about being active, healthy and having fun!

Come and make new friends. Try something new or enjoy something familiar. Have lunch. Start a new hobby or take a class. Contribute. Use a computer or play a game. Write your masterpiece.

Health promotion and health education is all about enjoying life.

Stay active on our fitness equipment. Hike the Wasatch. Try a new exercise routine and learn healthy behaviors. Join a travel club. Take Yoga or Tai Chi classes. Come find your place with us today!

To participate in most Senior Center activities:

You must be 60 years of age or older

Or you must be the spouse of someone 60 years of age or older

To participate in most Health Promotion activities:

You must be 60 years of age or older

Other requirements vary depending on the specific activity. Contact the Active Aging program at 385.468.3080 for additional details.

Volunteer Opportunities

Active Aging Volunteers perform a wide variety of tasks. Center volunteers greet and orient new participants, provide clerical and reception support, and work to increase public awareness and participation at local centers. Volunteers possessing specific skills are highly sought after to teach one-time or ongoing classes such as Tai Chi, computer training, art, and dance, among others.

Health promotion volunteers teach healthy behaviors to the county's aging and adult population in a variety of classes and settings.

Volunteer Requirements

To volunteer at your local center you must:

Be people oriented, take direction well, and be reliable

To volunteer to teach health promotion classes you must:

Complete all program specific requirements

Pass a background check and all appropriate Salt Lake County volunteer screening processes

Commit to lead a minimum of TWO entire six week workshops within twelve months

Training and Support

Orientation and training is provided to all volunteers

Successfully complete the training for the specific program you would like to volunteer for.

Sandy Senior Citizen's Center

Open: M-F 8:00 AM - 5:00 PM

Thur: 7:00 AM - 8:00 PM

Lunch: 11:30 PM

Transportation: M-F (Sandy Only)

[Newsletter](#)

[Calendar of Events](#)

Please join us for a tasty and nutritious lunch every day at 11:30 a.m. to 12:30 p.m.

Enjoy a meal with friends. Relax, talk, maybe treat yourself to some "Heavenly Pudding."

Carbohydrate servings are posted in Centre Café next to the pantry entry with recommendations for diabetes management. The menus are low in sodium and fat.

The Center is committed to providing a healthy meal for everyone.

We strive to adhere to strict Health Department standards. Kitchen staff and volunteers possess a Food Handlers Permit and receive ongoing training in food safety and preparation. We depend on volunteers to help in our lunch program and clean up after the meal has been served.

For guests age 60 and up, a suggested \$3.00 donation is appreciated.

We realize there will be times when you may not have \$3.00; we still want you to have lunch with us and only ask that you give what you can.

The suggested donation for someone under 60 visiting the center with a senior is \$7.00, the actual cost of the meal. Those under 60 not accompanying a senior must pay \$7.00. (please see the front desk for details)

Special Groups and Activities

Read a good book and share what you think with friends. Play cards, checkers, chess, what's your pleasure? There are a wide variety of groups and activities to choose from.

[View the Activities Calendar](#)

(Remember to click on the drop down list and select any of the categories that interest you.)

Dance and Exercise

There's something for everyone. Find your way to keep moving — dance, yoga, a nice walk with friends, or how about a round of golf or tennis.

[View the Activities Calendar](#)

(Remember to click on the drop down list and select Dance and Exercise)

Arts and Crafts

Did you know the Senior Center has its own kilns? Try one of the many pottery classes, or maybe woodcarving is more your style. How about oil or watercolor painting or porcelain doll making?

[View the Activities Calendar](#)

(Remember to click on the drop down list and select Arts)

Computer Center

No matter what your level of comfort with computers, the Computer Center is a great place to learn about technology and how to connect with friends and family. The Computer Center offers regular classes as well as monthly special seminars and "open lab" times for one-on-one help.

**Candidates Filed for White City Metro Township are as follows:
9 Have Filed. The Top 5 Vote Getters Will Become Our Council**

Dale Brinkerhoff

We are part of the Salt Lake County Metro Township (Kearns, Magna, White City, Emigration Canyon and Copperton) each being Districts. We will be Electing 5 of the 9 candidates in November 2016 from White City to the White City council (with the chairman of this council representing our township on the Municipal Services District board). The decisions made will impact each of us therefore I decided to run for one of these positions. I have lived in White City for over 40 years and understand the challenges and opportunities that will be placed before us. We have a wonderful community and hope to maintain it. I have a wife and 3 boys (all married) two sons reside in our community. Rather than complain about what is going on I decided to get involved. As a non-paid position my desire is to serve to maintain this unique Area.

White City Metro Township Candidate.....Jeremy Christensen

Jeremy Christensen has lived in White City for 17 years and has been an active member of the White City Township Community Council for 10 years. He currently serves as Treasurer and At-Large council member for the WCTCC. He also serves as Treasurer for the Southeast Township Days committee and enjoys creating a free family friendly event that promotes awareness for the unincorporated communities of the southeast valley.

Jeremy got involved in the community council when the County came out with an ultimatum to choose a form of government. He assisted in efforts to create White City Township and subsequently the Metro Township to protect our services as unincorporated residents. We now have solidified that and will have an equal standing at the table with Salt Lake County.

He graduated with a Bachelor's Degree in Accounting from the University of Utah. He works as an insurance agent for Monson Insurance. He and his wife Trina are the proud parents of five children.

My name is Cody Cutler. I am a candidate for White City Metro Township Community Council.

At age 53, I've been a resident of Salt Lake County my entire life. My family and I moved to White City in 1996 and liked it so well, we never left. Although the children are raised, my wife and I have no intentions of leaving White City.

I have worked for Jacobsen Construction since 2008, as a certified carpenter/concrete finisher. Prior to that I was with Signature concrete and various other companies, working as a concrete finisher for the past 37 years.

I have been a volunteer member of White City Community Council for the last 4 ½ years. I truly enjoy helping and doing my part as a resident and a public servant. My involvement runs deep in our community. I am also an ACCT representative. (Association of Community Councils Together) I help to organize and host the Southeast Township Days at Bear Park with various other responsibilities in the community. It would be an honor if you could support and vote for me in November. It would be my privilege to continue to serve you on the new Metro Township Community Council.

Sincerely....Cody Cutler....codyskitten@msn.com....Phone: 801-495-2313

Kay J Dickerson 2016 Candidate for White City Metro Township Council.....

Born in American Fork, Utah 27 July 1937 as the 9th child in a family of 10. Lived in American Fork for 6 years and moved to Pocatello, Idaho. I attended school and grew up in Pocatello in a family that was associated with the Union Pacific Railroad. I graduated from Pocatello High School in 1955 and enter school at Idaho State College where I graduated with an AS degree in engineering in 1958. I was married to Ila Jean Walker in Pleasant Grove, Utah in 1957. We have four (4) grown children 3 daughters and 1 son that still live in the /salt Lake valley. I attended Brigham Young University and graduated with a BSME degree in 1961. I then started working full time for Hercules Powder Company, whom I had worked part time since 1960 while attending BYU. I worked for Hercules, ATK, ATK/Thiokol, and Orbital/ ATK until I retired in 1996. I worked as a design Engineer on Missile systems for Minuteman, Polaris, Trident, SRM and other delivery systems within the company. I was the Third Stage Program Manager for 3 Years before the system was completed.

Since retirement I have served on the White City Township Community Council for about 9 years, Rate advisor for White City Water Improvement District, on the Board of the White City Swimming Pool, Served on the Dimple Dell Advisory Board for about 6 years for the County and been involved in the White City Community since having our Home built here in 1961. I have served as Secretary, Chair and board member of White City Community Council and Chair of the Dimple Dell Advisory Board. While serving in the area I have been involved in working to keep White City from being annexed into Sandy and trying to insure we maintain independent governance and that our services remain the same with Salt Lake County.

Contact Info: Kay Dickerson kjd727@hotmail.com or 801-557-9423

Candidate for White City Metro Township Council.....Paulina Flint.....Army Brat

and wife of 21 year veteran of the US Army; Born at Fort Hood Texas, lived in Germany, Virginia, Texas, Arizona and Utah; Raised 4 children and have 10 grandchildren, resident since September 1982. Served in capacity of Altaview PTA 1985-1987, helped organize White City Community Council 1987; Helped organized White City Water Users July 1991, which culminated in the purchase of White City Water Company February 13, 1995 via an independent improvement district; Chair of District since that date; Assisted in creating protections for White City via legislative actions and enabling our residents to vote for Metro Township and ensuring we continue to have the best level of services for

the least amount of money; Current chair of Salt Lake County Municipal Service District Advisory Board, past Utah Association of Special Districts Board member, Salt Lake County CDBG Committee, Charter Member of Preservation of Dimple Dell, helped create Master Planning for Power Committee, Dimple Dell Advisory Board, Women’s State Legislative Council, Utah Neighborhoods Association of Utah, Utah Water Finance Agency; Served as President of the United Association of Community Councils in the 1990’s and the Association of Community Councils Together 2009-2013; Have been a citizen lobbyist for our communities since 1985. **Volunteerism is the corner stone of good government;** Our citizens remain committed to a volunteer based government. Have been an advocate for our citizen issues and needs for decades;

Voting is the best tool we have for maintaining a safe, healthy and viable community.

“People First, Never Say Never and Never Say Can’t”

Contact information: pbflint@yahoo.com or 801-571-5257

My name is Allan Perry....I chose to run for a position on the White City Metro Township Council in order to be a more active participant in my community. I was born and raised in White City and have spent most of my life here. I have great memories of growing up in this area. I learned to swim at White Towers Swimming Pool and spent countless hours of my childhood riding my bike around the neighborhood streets. I attended Alta View Elementary, Eastmont Middle School, and Jordan High School. I later continued my education at Utah State University where I received a Bachelor of Landscape Architecture. Upon finishing my degree I moved out of state to California and worked as an Environmental Planner. After being there a couple of years I decided it was time to come back home to Utah. I began to look for a place of my own and feel fortunate to have found a house here in White City not far from where I grew up. I think we live in a great community and I hope to see it continue to be a place where individuals and families involve themselves in the neighborhood and work together to maintain a safe and vibrant area of Salt Lake County.

Linda Price..... Candidate for White City Metro Township Council Residents of White City, my name is Linda Price and I am pleased to be running for a seat on the Metro Township board for our community. A friend recently asked me why I was volunteering for something that didn't pay a salary or stipend. Good question. I believe in giving back to the community and this is one way to be of service to my neighbors. It has been my privilege to serve on the WCTCC for the past four years and I have especially enjoyed working with my fellow council members on varied projects. One of my favorites is Southeast Township Days, many hours of work, lots of calls and visits to businesses for donations, but oh so rewarding when you see so many folks enjoying a last blast of summer fun at no expense to the community.

I am originally from Tennessee, and will always consider myself a Southern girl. My biggest vice is butter, well maybe not the biggest but in the top 2 or 3. I am happily married to my husband Larry, and we have just celebrated our 50th anniversary. We have two amazing children, Danny and Tracie, and also 2 grand dogs. Most of my professional career was spent with McKesson Drug Company as an account manager, and I truly enjoyed all 30 years they allowed me to remain on their payroll.

My belief in serving others dates back to my days as a 4H club member where early on, leaders instilled values that included sharing our talents with others. Participating in public speaking and essay writing contests was an integral part of the club as well, and everyone who knows me understands that concept. I always wanted to be in Girl Scouts but that wasn't possible when you live in the hills of Tennessee, so as an adult I checked that off my bucket list by being a leader for 10+ years. But boys weren't slighted. I had Cub Scout troops as well.

I have been extremely fortunate to be able to travel around the world. Seven continents, many countries, and 50 states have finally been checked off the, to do list. I am a firm believer in learning from experience and traveling affords you that opportunity. Visiting varied foreign lands and learning about their cultures has given me an appreciation for what we have and reminds me that we should be grateful for the freedoms we have in this country.

Linda Price.....801-419-3013 and email pricell@gmail.com

November Election 2016

Mail-in Ballots arrive the week of the 3rd of October 2016.

November Election Day is the 8th of November. This year all ballots will be mailed.

Early Voting Period Begins 25th of October Runs Through November 4. Vote by Mail, Drop off locations can be deposited 24 / 7 until 8:00 PM Election Night. Can also be dropped at any vote Center on Election Day during voting hours 7:00 AM—8:00 PM.

Christopher Spagnuolo..... Three years ago, my wife and I built our home together in White City. After several years of apartment living in Cottonwood Heights, it is very exciting to have a place we can call our own.

This is our first home, and the building process has shown me how completing every project takes planning and perseverance. We've just begun creating, a water wise landscape outside that we hope to enjoy as much as the interior of our home. Speaking of exterior projects, the addition of a small flock of chickens has already brought entertainment as well as tasty eggs to our home!

As a field engineer with Hewlett Packard, I have the opportunity to help our region's government facilities, large and small businesses, and non-profit organizations use their technology resources to achieve their goals. Immediate problem solving is in my nature, but I believe true strength is brought to any organization when we can look forward and plan for our common goals together.

In summer I can be found hiking and biking Dimple Dell, tending a vegetable garden, and experimenting with food in the kitchen. During the winter I'm working on projects throughout the house, enjoying my comic book collection, and skiing our excellent local mountains.

I love our little corner of the Wasatch front. I'm proud to be a part of the White City community and I want to work together to keep it a great place to live.

801-608-8611

christopher.spagnuolo@gmail.com

My name is Aaron J. Stockham, and I am excited to get the chance to represent White City at the Metro Township Council.....

I was born and raised in Murray; after getting my undergraduate and graduate degrees in the Midwest, moved with my wife back to Utah to teach at The Waterford School. I teach American history and government to middle and high school students, so I understand the workings of the American political system. My wife, Shira, and I have two daughters and our focus in raising them is their education. One of my priorities as a councilman would be ensuring all students have access to the knowledge they will need in the 21st century. I have lived in White City since 2008, and I love its community. The people are helpful, kind, hard-working, and look out for each other. Our council should extend those values to the

county. As I have raised my family in White City, I have sought new opportunities to help those around me. A seat on the council offers an important way to do that. If you have any questions, please feel free to contact me. I live at 10474 Silver Mountain Drive, or you could call me at 801-523-6406 or email me at

aaronstockham@hotmail.com Thank you for your consideration.

Military and Overseas Voters

Military or overseas voters may complete the Federal Postcard Application, which can be accessed by visiting the Federal Voting Assistance Program web site at: www.fvap.gov.

Return of Application: Please complete your form and return it to the Salt Lake County Clerk's office no later than the Thursday before the election. You may return the form; via email to votebymail@slco.org ; by facsimile to 385-468-7401 by mail or hand delivery to: County Clerk, Election Division, 2001 South State, S1100, P. O. Box 144575 Salt Lake City, Utah 84114-4575

White City Metro Townships Governance Model

Each metro township will be electing township council members November 2016. They will be elected At-Large in White City Metro Township.

Each township council will have five members. The township councils will have the power to enact local ordinances and oversee local municipal services. The chair of the council will sit on the Municipal Services District Board of Trustees.

Funding for Metro Townships:

Sales taxes collected in the metro townships and the unincorporated areas will be distributed according to a budget adopted by the [Municipal Services District](#) Board. After the November 2016 metro township council election, the elected chair of the metro township council will have a seat on that Board. (Currently, municipal services are paid for with sales tax revenue from townships and unincorporated areas.)

Local township councils do not have the ability to directly spend taxpayer dollars. **Sales taxes go into the Municipal Services District**; property taxes continue to go to entities such as Unified Police Department and Unified Fire authority as they do presently. The Board of the Municipal Services District will oversee the budget decisions of the MSD.

Municipal Services District:

What is the Municipal Services District?

The Municipal Services District (MSD) manages the revenue and the budget paying for delivery of municipal services for the metro townships and unincorporated areas of Salt Lake County, as well as for cities within the county that join or contract with the MSD for municipal services.

Municipal services are services often managed by cities, such as road maintenance and street lights, storm drains, and snow removal. See a complete list of the municipal services Salt Lake County currently provides.

How is the Municipal Services District (MSD) managed?

The MSD will be managed by a Board of Trustees composed of locally elected council members.

Prior to November 2016, (when elections are held for city and metro township council members) the Salt Lake County Council will act as the MSD Board of Trustees.

In January 2017, when city and metro township council chairs take office, the MSD Board will consist of each metro township council chair, city council member, two county council representatives and the county mayor as the district executive.

MSD Board of Trustees members will have weighted votes based on their community's population.

How will municipal services be paid for?

Sales tax revenue from the unincorporated areas of the county, as well as sales tax revenue from metro townships and cities that join or contract with the MSD to provide services will make up the budget.

(Since 1977, the county has paid for municipal services through a separate municipal services fund. The new Municipal Services District will operate in similar fashion.)

- Salt Lake County Council sworn-in as Municipal Services District Board on October 20, 2015
- A County Council resolution to create the Municipal Services District was adopted on September 1, 2015.

Utah Senate Bill 199

- The framework for the Community Preservation bill, [Senate Bill 199](#) was developed by a committee of township and unincorporated county residents.

SB 199 passed in the Utah Legislature and was signed by Governor Herbert in April 2015. It created the following:

1. A November 2015 election

This historic election held in November 2015 allows voters in the townships and unincorporated County to decide the future of governance.

2. A “metro township” form of government

Townships have the option to become metro townships. Unlike traditional townships, this form of government means greater self-governance, local control, boundary protection, and direct representation in setting budgets and fiscal management. [More information on metro townships](#)

3. Governance of the Municipal Service District (MSD)

The MSD provides municipal services (such as animal services, snow removal storm drains, street lights, etc.) to unincorporated areas under the direction of a Board of Trustees. Representation on the Board of Trustees will include each township council chair. [More information on the Municipal Services District](#)

4. Boundary Protection

Whether voters choose the city or metro township form of government, both will ensure boundary protection. Annexations are only permitted for unincorporated areas. Metro townships and/or cities are considered incorporated municipalities therefore annexations will not be permitted.

Municipal Services District

What is the Municipal Services District?

The Municipal Services District (MSD) manages the revenue and the budget paying for delivery of municipal services for the metro townships and unincorporated areas of Salt Lake County, as well as for cities within the county that join or contract with the MSD for municipal services.

Municipal services are services often managed by cities, such as road maintenance and street lights, storm drains, and snow removal. [See a complete list of the municipal services Salt Lake County currently provides.](#)

Municipal Services

- *There may be additional services that are not listed.

Municipal Engineering Services

Storm Drainage Maintenance

- Inventory and master planning
- Design and construction management
- [Storm Water \(UPDES\) compliance](#)

- Court management

Municipal Park Services

- Park management services

Community Liaison Services ***(Townships/Community Councils)***

- Community council support

Animal Services

- Shelter
- Adoptions
- Licensing
- Community education

Salt Lake County Mayor's Corner

Dear White City Township Friends:

Summer is in full swing. Salt Lake County is working hard to deliver the services and amenities that you deserve as residents and taxpayers.

White City Township is made up of residents like you that care deeply about your neighbors and the quality of life that drew you to the area. We'll continue to spend tax dollars in a way that improves public safety and supports the efforts you make in your homes and property.

The Galena Drive sidewalk and storm drain project was a community driven effort that included 1,000 linear feet of new sidewalk, curb and gutter that not only improved safety, but met the goals of the Student Neighborhood Access Program (SNAP). It's a community effort to keep children safe on their way to and from school.

Storm drains were replaced to manage water problems on the roadway and ensure driver safety as well.

Looking to the future, Parks and Recreation is awaiting approval of a \$4.5 million Zoo, Arts, Parks (ZAP) bond investment to complete the White City Canal Trail with irrigation, landscaping and a bridge that spans Dimple Dell.

Township Services continues to focus on sidewalk requests and is looking for funding to complete sections of sidewalk in the north end of the township.

I look forward to seeing you at upcoming events this summer, especially the Southeast County Township Days – a favorite for my family! Thank you for all you do to make Salt Lake County the thriving metropolitan area that it has become.

Sincerely,
Mayor Ben McAdams

Salt Lake County Boards

If you have a desire to serve, Salt Lake County has 121 citizen boards. You can search the link below and see which you might have an interest in.

<http://slco.org/mayor/boards/Contact>

Boards and Commissions are integral to the function of Salt Lake County. Citizens volunteer their time and expertise to provide meaningful input to county leaders. On average, they serve three-year terms and are appointed by the mayor, the county council, or both. Boards might be policy or advisory-based in function.

Interested in serving? Submit an application to:

Kendra Kahlow, Special Projects Manager

Are You Missing Your Pet?

Click the link below to see photos of animals that are currently in our shelter. We try to photograph every animal, but occasionally we cannot get a photo, such as if an animal is injured or aggressive. We also maintain a list of all the animals that were picked up deceased. If you are missing your pet, the only way to guarantee that your pet is not here is to visit the shelter in person as soon as possible!

[Search through our animals for your pet](#)

My Pet was Picked up by Animal Control. How do I Retrieve it? Animals impounded will be redeemed to a person over 18 who can provide proof of identification and animal ownership. Redemption fees will apply; we accept cash, credit cards, and checks. Please note that we cannot quote fees over the phone. Please bring current, valid photo identification and one or more of the following to prove ownership:

Location and date when pet was last seen;

- Age and sex of the animal;
- Current photos of the pet;
- Veterinary records for the pet, including proof of vaccinations and proof of sterilization;
- Microchip information

What Should I Do If My Pet Is Missing?

DON'T EVER ASSUME that your pet was stolen or will come back on its own.

VISIT local animal shelters within 24 hours of losing your pet. Many shelters hold stray animals only 72 hours so be sure to return every 48 hours.

ASK to check the ISOLATION and QUARANTINE kennels when visiting shelters. Also ask about any animal that may have been picked up deceased.

POST lost pet cards or flyers on lost and found boards at local shelters, veterinary clinics, and other public bulletin boards when available. Post to [Utah Lost and Found Pets on Facebook](#).

LOOK for your pet during the day AND AT NIGHT. Call and whistle for your pet. Stay in one place long enough for your pet to respond to your call.

CALL nearby veterinary offices to see if your pet was brought in as an injured stray. Leave your name, any phone numbers where you can be reached and a description/picture of your pet.

PLACE lost pet ads in local papers and classified sections of websites under the lost & found columns, such as [KSL](#) and/or [Craigslis](#).

READ the lost and found column in local papers and websites for found stray animals, such as KSL and/or Craigslist. Review [Utah Lost and Found Pets on Facebook](#).

CHECK all the [shelters in the area](#). Your pet could end up at any one of them.

DON'T GIVE UP! Often a pet will not arrive in a shelter for weeks and sometimes even months after first becoming lost.

Keep current identification tags on your pets and get a microchip. Identification saves lives!
